We enlist both trained / experienced civilians and Ex-service personnel for performing security duties with minimum qualification of S.S.L.C. with good physique. Before they could be engaged by us their antecedence is verified and screening is done as part of pre-employment verification.

## **Uniform**

We provide as per the choice and requirement of our (Clients) management. We select good quality of fabric for uniform and uniform accessories such as shoes, caps, belts, badges, raincoats etc as required. We take proper care and ensure that the personnel attending duty are in neat uniform at all times presentable.

## **Salary**

We pay monthly salary to our personnel between 1st to 5th of each month as per the salary disbursement schedule irrespective of Sundays and Holidays. The payment will be made at your establishment premises itself by cash. The fixed salary date will be kept informed to all the staff posted at the units and it will be disbursed in the presence of representative of the management.

## TRAINING CENTER

In today's business world, where quality, service and professionalism are paramount our security staff are supported by a very highly trained and experienced hands on management team. You will find that the personalized service and attention to detail is second to none and that is a big statement from a security company that stands on its reputation.

Indian Super Cop Security guards are the benchmark to which others compare. It is not only our extensive training that sets us apart from the rest; it is our experience, ability to identify personalities and designate staff on the basis of task compatibility, not working on the basis of who is available. It is this specific identification of individual task requirements that allows our guards to not only perform in a manner only benefiting the true professional, but to perform in an environment where they are compatible both physically and mentally.

It is our commitment to giving the client what they want that ensures you will receive officers that are suited to your particular needs. Specialized Security provides guards that are trained to provide support in many situations.
